NOTES FROM THE OFFICE

I hope everyone had a great summer and enjoyed the Labor Day weekend.

Work hours have been steady over the summer, and we are optimistic moving into the fall. There continues to be hospital work on the horizon. I encourage you to obtain a Med Gas certification to fill the calls and make yourself as employable as possible. Also useful are City licenses and RPZ certifications. Reach out to the Training Department to inquire about these classes.

This year being a major election year, I urge you to use your power to vote. I encourage you to support candidates that support our work, licensing, Prevailing Wage, and Collective Bargaining rights.

Watch your email for endorsed candidates and ballot initiatives.

In Solidarity,

Dean W. Gale
Business Manager/Financial Secretary-Treasurer

PLUMBERS LOCAL 34 SCHOLARSHIP FOUNDATION

The Plumbers Local 34 Scholarship Foundation awarded scholarships in August 2024, three (3) for trade school and two for college applicants. The \$500 Trade School scholarship winners were Jacob Caron, Megan Gale and Joslynn Olson, and \$1000 College scholarship winners were Brodrick Malon and Tabitha Valenzuela.

Former Business Manager, Frank Horak, donated money to start the Plumbers Local 34 Scholarship Foundation. To continue providing scholarships for as many applicants as possible, we raise funds through prize raffles at the Picnic, the Golf Tournament and at the June and December Union meetings.

DAVID ABEL APPRENTICE AWARD

The family of David Abel has made a generous donation upon his passing. The funds are dedicated to covering initiation costs for three (3) new apprentices each year, with veteran status or from under-represented communities. Thank you to Brother Abel family members!

2024 ANNUAL PICNIC

This year we want to give Matt Giles and his family a very special thank you for their many years of service, organizing and orchestrating the events at the picnic. We would also like to thank Mike Carlson and family for stepping up to take on that role into the future.
